

ELLEN JOSEPHINE WINDSOR

born: October 20, 1890

died: *November 14, 1981 at about 6:30 P.M.*

MISS WINDSOR CHAMPION SKATER

WINS MILE RACE FOR WOMEN'S
CHAMPIONSHIP ON TENNIS
CLUB RINK.

A mile race for the women's championship of this city was held on the Buffalo Tennis Club rink last night. Miss Josephine Windsor, a popular young lady, and one of the best of skaters hereabouts, made the distance in 4:50, winning the event by half a lap. The prize was a silver cup, donated by the management. The following were competitors in the race: Misses Rowe, Seaver, Weppner, Hauenstein, Graves, Watters and Windsor.

The judges were Messrs. Frank Day, Howard Bissell, John Thompson and Sam Ryan. J. Ward Noonan was timekeeper. Mr. Moyce, manager of the rink, had charge of the event. Miss Windsor's victory was a popular one.

MISS WINDSOR IS CHAMPION

Miss Josephine Windsor is now champion girl skater of Buffalo. At the Buffalo Tennis Club's rink yesterday she defeated a crack field over a one-mile route for that honor. Miss Windsor gave an excellent exhibition of her skill and was never headed during the race. Those who were beaten by Miss Windsor were the Misses Weppner, Hauenstein, Waters, Rowe, Seaver and Graves. Miss Graves skated from scratch but could not overcome the quarter mile handicap of Miss Windsor.

MISS WINDSOR WON.

Young Skater finished first in brilliant
Fashion at the Buffalo Tennis
Club's Rink last Night.

All hail the champion, Miss Josephine Windsor! In the championship race held by the Buffalo Tennis Club for women the younger sister to Miss Mildred Windsor skated at the head of the array of crack skaters and finished first in brilliant fashion. The widely discussed race came off last night before a big attendance of the Buffalo Tennis Club members and friends, and it was decidedly a big event in local skating circles. The ice and weather were highly conducive to a great race and Buffalo's best girl speed merchants on skates lined up for the all-important dash for the city championship.

Of the many entries for the big race seven of the fastest candidates lined up for the signal to be off on the trying struggle over a one-mile route. The starters to begin the long trip were the Misses Weppner, Hauenstein, Waters, Helen Rowe, May Seaver, Mary Graves and Josephine Windsor. That was a most representative field to try for the silver loving cup offered by the Buffalo Tennis Club.

Miss Mildred Windsor, one of the entries, elected to have her younger sister, Miss Josephine, skate in her place. The move was a very wise one in every way, for the House of Windsor had a champion in Miss Josephine Windsor. While there is no doubting that Miss Windsor, her older sister, was a likely winner, Miss Josephine's success proved that the speed quality in the family is shared.

Miss Josephine Windsor, one-quarter lap handicap, won the race; Miss Hauenstein, one-quarter lap handicap, was second, and Miss Mary Graves, "scratch man," was third. Miss Graves's skating from scratch was splendid and she did beautifully in her trial to overtake those that were given a start over her. The time of the winner was four minutes and 50 seconds.

The judges were Frank Day, John J. Thompson, Howard Bissell and Sam Ryan, Jr. Ward Nunan held the match.

Miss Josephine Windsor was the youngest competitor in the field to skate for the championship. She was never headed and won in most distinctive form. A big crowd enjoyed the music and excellent ice.
